

A Health-Centered Practice

Renee TRUjillo, DDS

Hello,

Welcome to our practice! Dr. Trujillo and her team look forward to meeting and working with you to enrich your dental health and overall wellness.

To secure your appointment, please complete and submit these online forms no later than one week prior to your appointment.

This will allow us time to acquire any necessary records from your previous dental provider and give Dr. Trujillo time to review prior to your appointment. We appreciate your arriving 10 minutes early to fill out any additional paperwork that may be needed.

If you are unable to keep this appointment, kindly contact our office at **575-526-0888** as soon as possible as a courtesy to other patients who could utilize the time.

Also, please ask us about our in-house dental membership program, to see how it can benefit you, if you do not have a dental insurance.

In better health,

TRU Dental, PC
